PROVIDER SIGNATURE AND ABBREVIATIONS LOG

The Signature Log is used to validate provider signature/initials and credentials. All providers of services (MD, DO, PA, ARNP) should complete the below form, and store at your office for future audits, reviews, and requests. This form should be updated when providers are added to the practice. The Abbreviation Log is used to validate any non-standard medical abbreviations used on Progress Notes.

Provider/Group Name(s) _____
